Proposal Disclosure

The rates quoted in this proposal are based on the information provided to Delta Dental at the time the proposal was released. This proposal is not a contract. If the group wishes to sign a contract with Delta Dental, it will be required to complete and sign a Group Application. Delta Dental's acceptance of a completed Group Application will be based on verification of group enrollment specifications.

If during the Contract Term any new or increased tax, assessment or fee is imposed on the amounts payable to or by Delta Dental under this Contract or any immediately preceding contract between Delta Dental and Contractholder, the Premium amount will be increased by the amount of any such new or increased tax, assessment or fee by written notice to Contractholder, and the Contract shall thereby be modified on the date set forth in the notice.

Maximum Contract Allowance

Contracted dentists are paid directly by Delta Dental and by agreement cannot bill the enrollee more than their contracted fee. Non-contracted dentists may not always accept Delta Dental's program allowance as payment in full. The enrollee is responsible for paying up to the non-contracted dentist's submitted charge.

Reimbursement is based on the PPO contracted fees for PPO dentists, the Premier contracted fees for Premier dentists and the PPO contracted fees for non-Delta Dental dentists.

Benefit payments for services rendered by non-contracted dentists are sent directly to the enrollee. It is the enrollee's responsibility to pay the non-contracted dentist.

Fully Insured Non-Retention Contract

Any profit or loss remaining at the end of the contract period will be absorbed by Delta Dental. The client assumes no liability in a loss situation.

Rate Guarantee

Rates are valid if purchased by the proposed effective date of 1/1/2025. Delta Dental recommends 90 days advance notice for implementation.

Eligibility for employees and dependents is subject to all state laws or regulatory requirements.
